> NEW TEEN INTERN POSITIONS FOR 2010:
Teens For Christ, Hudson, WI, Position Opens 6-10-2010:
Teens and college students encouraged to apply.

Teens For Christ is looking for teens who have a desire to work on our staff for the summer. Those accepted will work alongside our staff helping prepare and run some of the following events: Bible Camp, Vacation Bible School (5 weeks), a mission trip to Mexico, and camping/preaching trip in Canada. Interns will also be asked to work at our Ministry Center and given the opportunity to sit through TFC staff meetings.

Two Financial Options:

1) Volunteer: Interns may choose to not receive pay for their service. If this option is chosen, TFC will reduce the rate for each event the intern participates in.

2) Raise Support: Interns will be given the ability to raise up to \$200 a week above the cost of the events in which they participate. They will be expected to raise their own income through supporters in the same way each of our staff do. People love to give gifts in support of teens they see as leaders.

**This is your opportunity to experience ministry life.
