

RESULTS OF VACATION BIBLE SCHOOL PROGRAM

- 1. Props and visuals created an atmosphere that had an important impact on the leaders and students**
- 2. Our adults got excited about what was happening**
- 3. Children were excited about what was happening and wanted to come back each day**
- 4. Our youth want to work next summer with the Teens for Christ summer program**
- 5. The program gave our teens the opportunity to develop Leadership skills
(Lack of leadership among the adults can be attributed in part to the lack of opportunity and challenge to take leadership when they were youth)**
- 6. It provided a list of prospective students for the Awana program**
- 7. It gave an example of discipline and control. Leaders knew what they were doing, the program moved for one event to another, potential discipline problems were dealt with immediately**
- 8. Relationships were established among leaders, students, and parents**
- 9. The program helped to promote the effects of Christian Education in a church program and in a community**
- 10. It provided an opportunity to see missions in action and influenced the church to have a greater willingness to support missions**
